

December 12, 2022

Congratulations to the following Athletes that have been identified for Field Hockey Canada's NextGen Tiered List for the 2023 season.

Please Note: Tiered classifications are a point in time evaluation that informs the overall athlete depth chart across the NextGen system, all athletes will receive the same level of training, and opportunity for further selection to National Teams. For further information on the Tiered system [please visit this link](#).

Athletes that attended FHC ID Camps but have not been named to 2023 Nextgen Tiered List will remain on FHC's Targeted Athlete List and will receive communication around additional training opportunities in their region.

#### Senior Development (Athletes born 2001 or before)

Senior Development athletes are those that have aged out of U21 programming and may be starting to transition to the MNT environment, SDS athletes have been identified by the MNT Head Coach and NG tiered athletes in this age group will be evaluated for further involvement in SDS environment as determined by the MNG/MNT staff.
