## WELCOME MESSAGES

Dear Athletes,

Congratulations on making it to the National Championship in your sport of choice; an opportunity not many athletes will have the honour of achieving in their sporting careers. Take pride in your accomplishment and take time to reflect and celebrate with your teammates.

Field Hockey Canada is proud to partner with Field Hockey Ontario to deliver the 2018 Nationals at the University of Toronto. All matches will be held on the same pitches from the 2015 Pan American Games, where both our Canadian Women and Men's National teams medalled. We appreciate that many of you have aspirations of one day competing for Canada on the international stage and in major Games. The Nationals are an important opportunity to make your case for inclusion with Canada's National programs.

Please be sure to thank your parents, coaches and those who supported you to get to this point in your career. Play hard and enjoy the opportunity you and your teammates have created. Have a safe and successful tournament.

On behalf of Field Hockey Canada,

Jeff Sauvé, CEO

Ian Baggott, Board Chair

## LES MESSAGES DE BIENVENUE

Chers athlètes,

Félicitations, vous avez atteint le Championnat national de votre sport. C'est là une occasion que peu d'athlètes vivront dans leur parcours sportif. Soyez fiers de votre réalisation et prenez le temps d'y réfléchir et de la célébrer avec vos coéquipiers.

Hockey sur Gazon Canada est fier de son partenariat avec l'Association de hockey sur gazon de l'Ontario (FHO) pour présenter les Championnats canadiens 2018 à l'Université de Toronto. Tous les matchs seront disputés sur les mêmes terrains qui ont accueilli les rencontres des Jeux panaméricains de 2015 où nos équipes canadiennes masculine et féminine sont chacune montée sur le podium. Nous apprécions que plusieurs d'entre vous entretenez le désir un jour de représenter le Canada sur la scène internationale et dans le cadre de grands Jeux. Les Championnats canadiens sont une occasion importante de vous faire valoir en vue d'une invitation au sein des Programmes nationaux du Canada.

N'oubliez pas de remercier vos parents, vos entraîneurs et ceux qui vous ont appuyé pour atteindre ce moment de votre parcours. Jouez avec passion et profitez de l'occasion que vos coéquipiers et vous avez créée. Nous souhaitons à tous un tournoi sécuritaire et réussi.

Au nom de Hockey sur Gazon Canada,

**Jeff Sauvé**  
PDG

**Ian Baggott**  
Président du conseil  
d'administration

## WELCOME MESSAGES

Dear Athletes, coaches, officials, parents, volunteers, and all friends of hockey,

On behalf of Field Hockey Ontario I am pleased to welcome you to Toronto, Ontario for the 2018 Field Hockey Canada National Championships.

The 2018 Championships, hosted by Field Hokey Ontario and delivered in partnership with Field Hockey Canada, will take place from July 12 through July 22 at the University of Toronto Back Campus Fields. This venue will provide participants an opportunity to play on a world-class field which was built for and hosted field hockey at the 2015 Pan American Games. Over the ten days, we will be hosting over 40 teams from five provinces, made up of over 640 athletes and 80 coaches, managers and staff, in addition to two junior teams from USA.

To all athletes and officials – congratulations on making it to this level. No matter where your hockey career takes you from here, representing your province at this elite event must be considered a high point. Please do ensure that you take the time over the next ten days to savor the moment and to thank those around you who supported you in getting here. And for those of you travelling from a far, I hope that you have some time to explore the City of Toronto, and the rest of the beauty that Ontario has to offer.

To fair play,

**Vanessa Williamson**  
**President, Field Hockey Ontario**

## LES MESSAGES DE BIENVENUE

Chers athlètes, entraîneurs, officiels, parents, bénévoles et amis du hockey,

Au nom de l'Association de hockey sur gazon de l'Ontario (FHO), je suis heureuse de vous accueillir à Toronto en Ontario à l'occasion des Championnats nationaux de Hockey sur Gazon Canada (HGC) 2018.

Les Championnats 2018 présentés par FHO en partenariat avec HGC se déroulent du 12 au 22 juillet au Back Campus Fields de l'Université de Toronto. Ce site offrira une occasion aux participants de jouer sur un terrain de classe mondiale qui a été construit pour les Jeux panaméricains de 2015 et qui a accueilli les compétitions de hockey sur gazon. Dans ces 10 jours de compétition, nous accueillerons 40 équipes en provenance de cinq provinces avec plus de 640 athlètes et 80 entraîneurs, gérants et membres du personnel en plus d'une équipe junior des États-Unis.

Félicitations à tous les athlètes et à tous les officiels d'avoir atteint ce niveau. Peu importe où votre parcours de hockey vous amènera à partir d'aujourd'hui, représenter votre province à ce tournoi élite doit être considéré comme un fait saillant. Veuillez vous assurer de prendre le temps au cours des 10 prochains jours de savourer le moment et de remercier ceux qui vous entourent et qui vous ont appuyé pour que vous en arriviez à ce point. Pour ceux qui ont fait un long voyage, j'espère que vous profiterez d'un peu de temps pour explorer la Ville de Toronto et toute la beauté que l'Ontario offre.

Salutations sportives,

**Vanessa Williamson**  
**Hockey sur Gazon Ontario**
