

Welcome to St. Mikes - great to be back on the pitch with the Chelsea Phoenix! The following are the procedures we'll be adhering to for all activities:

1. You check in with the concierge and go through the checklist together.
2. You visit the ENTER handwashing station.
3. You head onto the field with your stick & water bottle. Pick one of the five zones available.
4. Remember to keep 5 metres between you and the other players. Stay in "your Zone" or in "the Channel" on your own.
5. Only the coaches use his or her hands on the hockey balls and cones.
6. At the end, ensure you take all your equipment (stick, mouthguard) with you. Visit the EXIT handwashing station as you leave the field. Head directly to the pick up zone by the ice hockey rink.

(** If you need to use the Porta-Potty, hand-washing before and hand-washing after is mandatory.)
