Creating Your F-RED Account

It's easy to create an account with FHC's Registration and Event Database (F-RED.) One account can administer a whole family; each person does not need to have their own account.

If you or a family member already has an FHA Ramp account, or indeed a Ramp account for any other sport, you can login to F-RED with those credentials, and you should not create a new account.

And you only need to do this once even if you have multiple roles, as it will be tied to your login rather than any specific role or position.

Just these two simple steps...

1. Create your account here:
<https://www.rampregistrations.com/login?v3=7aa122cc>

When complete, you will return to the login page.

2. Test your login to be sure it works.
